

Case Study

Butley Hall, Prestbury, Cheshire

Client	Prestbury Developments Ltd
Value	N/A
Service	Cost Consulting, CDM Co-Ordination

The project involves the conversion and extension of an existing 18th Century Manor House into seven luxury apartments together with the construction of three new townhouses to the rear of the property. The project requires structural improvements to the existing timber frame, floors and roof and extensive external works to create vehicular access, parking and landscaping to the sloping site.
